# Somerset Rose Nursery

*Growers for The Trade Exclusively*

Box 345, NEW BRUNSWICK

NEW JERSEY

## WHOLESALE PRICE LIST

*Roses and Hardy  
& Perennials &*

TERMS AS USUAL

We are strictly growers and do not buy any stock. All of our roses are two-year field grown, budded on Japanese multiflora, the best stock for the largest part of the United States. It is hardy, vigorous and makes a splendid root system. It will do well on all soils and positively will not sucker.

The roses are graded to a high standard and we know you will be pleased with our stock. Grown right here in New Brunswick, they are hardy and well ripened and will give universal satisfaction to your clients.

For only 10 of a variety add 5 cents to the 100 price. Where less than 10 are wanted add 10 cents. Where lots of 50 or more of several varieties are ordered in multiples of 10, the 100 price prevails.

After you receive your roses, if it is intended to sell them dormant, they are best heeled in deeply, protected from all wind and severe temperature changes and kept shaded and well watered.

Increase your profits by potting up No. 2 grade roses for late spring sales. We can supply most of the varieties listed in No. 2 grade H. T.s at \$25.00 per 100, all others \$15.00 per 100. Special offer of 100 named Hybrid Teas No. 2 grade, our selection, all colors, \$18.00.
